1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

Customer of the company.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We are already paying some of the highest rates across North and South Carolina. As residents, we do not have a choice of competing companies. The cost to install a 2nd meter for irrigation purposes is again higher than most other companies across two states. This allows the company to continue to rob it's customers in the short term, the long term, or both! I find it outrageous that they are now asking for an 80% increase. We should be demanding a decrease in cost or fighting to have another company service our community.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

I would like for a hearing to be held locally (Lake Wylie) and I would make an appearance and offer sworn testimony.
